Bushfire Action Plan

GENERAL INFORMATION

This Bushfire Action Plan (BAP) has been developed during Term 3 2009 after consultation with:

- families of students attending the Spalding Primary School and staff
- members of the Spalding Country Fire Service (CFS)

The BAP is to be reviewed annually during Term 3 each year to reflect any changes that may have taken place in:

- site facilities
- personnel normally on site.

The BAP outlines required actions to prepare:

- the site before the bushfire season

The BAP also outlines activities to be undertaken by staff and students at the different levels of a bushfire emergency:

- on days of Total Fire Ban
- on a Catastrophic – Code Red Day
- when there is a fire in the local district
- when a bushfire is threatening or impacting on the site
- during the period immediately after a bushfire has impacted on the site (known as the 'Recovery Phase').

The Spalding Town Hall is the nominated bushfire Safe Refuge for this site.

- It has been prepared for a bushfire emergency and will safely accommodate all persons normally on the site.

The Spalding Town Hall is the nominated Safe Refuge for members of this rural community during a bushfire. Students, staff and visitors present at Spalding Primary School when a bushfire threatens the site will move together to the Town Hall when 'triggers' detailed later in this BAP are reached. Play Centre will also evacuate. Parents of Play Centre children to decide whether they will move to the Hall or return home.

It is anticipated that some members of the local community will want to shelter in the Town Hall also.

- The process to safely accommodate those people along with students and staff is included in the BAP.

The Principal will hold discussions with members of the Spalding CFS during Term 3 each year about the bushfire preparedness of the site.

The Principal will forward a copy of the site BAP to the Assistant Regional Director to be held in the District Office.

The Principal will forward a copy of the site BAP to the Spalding CFS by Week 2 of Term 4 each year.

The Front Office SSO will forward a copy of the BAP to all families of students of the site at the beginning of Term 1 each year.

- The BAP is explained to the families of new students by the Principal or Front Office SSO during the enrolment process.

The Principal will include bushfire season reminders and information in site newsletters in each of Term 4 and Term 1. The Spalding Primary School and Play Centre Information Booklet, updated in Term 1 each year, includes detailed information about actions and procedures included in the BAP.

All staff members receive pre fire season updates during Term 3 and ongoing information and instruction about the contents and requirements of the BAP during Term 4 and Term 1 staff meetings.

The Principal will ensure that all new staff members, relieving staff and visitors are briefed about the requirements of the BAP during the site induction process.

An Emergency Response Team has been established and members instructed on their roles and responsibilities. The members are:

- The Principal
- The Front Office SSO

Their roles and responsibilities are detailed throughout the BAP.

A Bushfire Action Plan has been developed.

- It will be reviewed during Term 2 each year by the staff and presented to the Governing Council for endorsement at the final meeting in Term 3.

The Principal will ensure that emergency bushfire drills are carried out by students and staff during the first 2 weeks of Term 4 and Term 1 each year.

All staff members have been allocated roles and responsibilities at the various stages of the Bushfire Action Plan.

- Details of individual roles and responsibilities are included in later sections of the BAP.

Students and staff practise meeting at the Assembly Point – southern school gate - and moving to it from a number of areas around the site during emergency bushfire drills carried out during the first 2 weeks of Term 4 and Term 1 each year.

- The Principal determines the timing of the drills after consultation with staff.

The Front Office SSO will monitor local ABC radio for CFS Bushfire Information and Warnings Messages on days of high bush fire danger and pass on relevant messages to the:

- Principal.

THE SAFE REFUGE – SPALDING TOWN HALL

The Safe Refuge is a building of solid construction. All open spaces in the façade and roof have been sealed to prevent entry by embers and ash during a bushfire.

Annexes and other structures attached or near to the building have been fully sealed and have well maintained paintwork.

It is likely that other members of the Spalding community will shelter in the Town Hall during a bushfire. To ensure the appropriate supervision and safety of all students:

- Classes will sit with their teachers.

A fully stocked first aid kit will be taken to the Town Hall. It will be checked and restocked if necessary by the First Aid SSO at the start of terms 1 & 4.

A gravity fed rain water tank provides drinking water.

Student and staff medications have been listed, and are easily assembled and transported to the Safe Refuge by the Front Office SSO.

Student rolls and staff/visitor registers are readily available. Class teachers will accurately record:

- those present when the move to the Safe Refuge takes place
- those who have left the site before the move
- those who leave the site after the bushfire emergency has passed.

In order to ensure a safe and orderly operation, a decision to move all persons into the Safe Refuge will be made when any of the following agreed '**Triggers**' are reached.

- CFS Information and Warning messages broadcast on the local ABC radio indicate a fire is moving towards Spalding.
- The local CFS or State Emergency Services advise that a bushfire is likely to impact on the site.
- There is a confirmed sighting of nearby smoke or flame.
